

# Parks

There are many wonderful parks and public lands on Lopez for day use as well as two overnight camp grounds, Odlin County Park and Spencer Spit State Park. ***Open fires are only allowed at the overnight camp grounds and only in camp approved fire circles.*** An illegal fire could be disastrous given the remote location of many of the natural sites open to the public. Please help us protect our island by not having fires in any of our day parks/public lands.

## COUNTY PARKS

### **Agate Beach County Park**

Located at the end of MacKaye Harbor Road.

### **Blackie Brady County Park**

On Hughes Bay

### **Lopez Skate Park**

Located next to the Community Center.

### **Mud Bay County Park**

(no fires or commercial use)

### **Odlin County Park/Odlin Park South**

Only a mile from the ferry, Odlin Park offers camping sites for RVs (no hookups) and walk-in sites along a low-bank beach front. There is also a picnic area and play field.

### **Otis Perkins Day Use Park**

Follow Bayshore Road to the Spit

### **Shark Reef Sanctuary**

Located on the west side of Lopez. See Directions to Public Easement Properties on how to get there.

### **Village Park**

In the heart of the village - public restrooms and showers. The Park is maintained by the

Chamber of Commerce, with some of the funding coming from Tour de Lopez

## STATE PARK

### **Spencer Spit State Park**

Beautiful site on the east side of Lopez. Has camping and a dump station, no RV hookups. Beach access and mooring buoys.

## OTHER

### **Fisherman Bay Spit Preserve**

Site of old homestead and wildlife preserve. Owned by the San Juan County Land Bank.

### **Lopez Hill**

400 acres of primitive land with trails and old second growth timber. Currently owned by Department of Natural Resources and leased to the County for preservation and recreation.

### **Weeks Wetland**

A short walk down Weeks Point Way in the village.
