Concours 'd Elegance, the Lopez way

Come see this great annual event- going on since 2005 and getting better every year! Vintage car and truck aficionados and non-collectors alike. Last year over 70 vehicles were on display!

This year vehicles will be parked for longer viewing; food and beverages will be available and the access roads will be cordoned off for better viewing.

Show up with your antique, unique or unusual vehicle in the Village. Cars will park on Tower Drive, Eads Lane and in front of Paper Scissors on the Rock.

The parade of vehicles as we leave the Village around 12:30, circle the village and then drive up Lopez Road to Fisherman Bay Road, following it along the bay and then turning on to Davis Bay Road and then to 121 Coffelt Drive for a picnic lunch.

You'd be surprised to see what vehicles reside here on Lopez, and other vehicles that come from the other islands and "America" for this occasion. It's a fun event and brings out everything from Tex Gieling's 1932 Chrysler Coupe and any one of a number of Dick Pickering's fleet of vehicles and then there's the Alfa Romeos, MGs, Jags, model T's and A's and more!

Signature Quilt Project

Stop by the museum to see this beautiful quilt, which features nearly 600 signatures!

Three Lopez Island quilters, Laurie Latta, Anne Dawson and Karen Alexander, decided it was time to create a very special Lopez Island Signature Quilt. They presented the idea to the Lopez Historical Society, and with the LIHS board's enthusiastic approval, the project was launched.

They collected signatures and the "Lopez Story" of everyone who thinks of Lopez as home. Whether a fulltime, part time, summer resident, or folks who have family ties to the island.
