Voluntary Blackout 6pm

Hey Lopez, there are a group of us planning a voluntary Blackout of water and power to test our preparedness and build community resilience— **Friday March 13 at 6 pm – Sunday March 15, 6 pm.** There are neighborhood nodes coming together to have neighborhood potlucks Saturday night and Sunday brunch. Even if you're not participating in the blackout, you are welcome to join one to discuss emergency planning, what resources may be available, caring for one another, etc.

We are also pairing neighborhoods with Ham (amateur) Radio operators to do some tests at these potlucks.

If you'd like to get involved, or want to find out if others in your neighborhood are getting together, feel free to email Nikyta at nikytapalmisani@gmail.com
