Web Listing Requirements

Business description – This description is **in addition** to the business name, address, phone, fax, e-mail and website address. We will do minor edits if needed and will contact you before making any substantive revision. Web site descriptions can be changed at any time during the year.

Category selection – Business and Association Memberships include a listing in **one** directory category and any of the *related* sub-categories selected. Members can be listed in additional categories/sub's for an additional fee. Business listings are randomized within categories/subcategories in the web site directory.

Photographs – We post 2-3 photos with your listing. We require 800x600 pixels and web resolution (72 is standard). We reserve the right not to use a picture if the quality does not reflect well on our site or your business. If you'd like to update your current photos, please email replacements to the Chamber office. Lopezchamber@lopezisland.com
