Map & Guide

Instead of combining the sign-up for the Map & Guide with the annual membership renewal, we're separating them. Our aim is to reduce the financial burden on businesses by not requiring payment for both simultaneously. Each listing in the Map & Guide will have a flat fee of \$125. We plan to send out the registration form for this in December. To ensure inclusion, we'll need payment for the guide by Jan 31st.

___ I plan to be included in the 2024 Map & Guide, and would like ___ listings.

___ I do not plan to have my business included in the the 2024 Map & Guide

___ I am unsure at this time; please send me the information in December

We reserve the right not to use a picture if the quality does not reflect well on our site or your business. If you'd like to update your current photos, please email replacements to the Chamber office at lopezchamber@lopezisland.com

Business description –This description is **in addition** to the business name, address, phone, fax, email and website address. We will do minor edits if needed and will contact you before making any substantive revision. Web site descriptions can be changed at any time during the year. Please review your current listing on our website and indicate any changes you would like to make. Please note that if you plan to be included in the Map & Guide, we will use the same description for that as well.
