Web Listing Requirements

Business description – This description is **in addition** to the business name, address, phone, fax, email and website address. We will do minor edits if needed and will contact you before making any substantive revision. Web site descriptions can be changed at any time during the year.

Category selection – Business and Association Memberships now include listing in as many categories and subcategories as you would like. Business listings are randomized within categories/subcategories in the web site directory.

Photographs – We post 1-6 photos with your listing. We require 800x600 pixels and web resolution (72 is standard). We reserve the right not to use a picture if the quality does not reflect well on our site or your business. If you'd like to update your current photos, please email replacements to the Chamber office at lopezchamber@lopezisland.com

Business Directory Categories & Subcategories

Adding subcategories to your primary category won't result in extra charges. You can select as many subcategories as are relevant to your business.

Please or highlight which Categories and Subcategories you'd like to be listed under.
